

# Archdiocese for the Military Services, USA

## *Bulletin Insert— Sunday Prior to CFC Fundraising Drive*

### **Serving Those Who Serve—Designate #10046**

Dear Friends,

The guiding mission of The Archdiocese for the Military Services (AMS) is to bring Christ in Word and Sacrament to you, the men and women on the front lines of service to our country, as well as our veterans who sacrificed so much. You can provide your support for “*Serving Those Who Serve*” when you pray and participate in the sacraments. Spiritual outreach by the Church is made possible by our military priests and Catholic coordinators who are sent by the AMS to serve military members and their families even while displaced, separated or far from home, as well as veterans in VA medical centers.

As this year’s annual Combined Federal Campaign (CFC) begins, we need you to support our mission more than ever. Many young men and women in the military seek comfort in their faith. For a military member in the field, the opportunity to receive Holy Communion or the sacrament of Reconciliation may be more valued than it has ever been before.

I encourage you to pledge your support. The AMS fulfills many needs and receives no federal funding of any kind. Your tax-deductible pledge through payroll deduction or one-time gift is much needed and appreciated.

Please remember to designate **CFC #10046**. Thank you.
